Providence Christian School

Statement of Faith

The following Statement of Faith is the official belief and policy of the school.

1. We believe the Bible to be the verbally inspired, only infallible Word of God and the supreme and final authority in all matters of faith and conduct. 2 Tim. 3:15-17; Ps. 19:7,8; 2 Pet. 1:3, 19-21; Matt. 12:1-12.
2. We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit. John 1:1-3, 14, 18, John 10:30, 14:9-11, 16, 26, 17:1-3.
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His vicarious and atoning death through His shed blood, in His miracles, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory. Luke 1:34,35; Gal. 4:4a; Heb. 4:15; 1 Pet. 21:22; John 1:1, 14, 10:30; Col. 1:19; 1 Tim. 2:5; Phil. 2:7,8.
4. We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely necessary. We believe salvation is attained by grace alone, through faith alone, in Christ alone, apart from human works or merit. Rom. 8:1-14; John 1:12,13; Titus 3:4-7.
5. We believe in the present ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a godly life. Tit. 3:4-7; John 1:12,13; 2 Cor. 5:17; Eph. 4:22-24.
6. We believe in the resurrection of both the saved and the lost: they that are saved unto the resurrection of life, and they that are lost unto the resurrection of damnation. Matt. 13:41-50; 25:41-45; Luke 16:23-28; 2 Thess. 1:9; Rev. 20.
7. We believe that heaven and hell are definite places. Matt. 5:10-45; Matt. 18:9; Matt. 23:33.
8. We believe in the spiritual unity of believers in our Lord Jesus Christ. Eph. 4:3.
9. We believe that marriage has been ordained by God. (Gen. 2:18-25) Providence Christian School recognizes marriage as exclusively the legal union of one man and one woman in which such union is a lifetime commitment. Matt. 19:3-9; Heb. 13:4.
10. We believe that, regarding human sexuality, legitimate sexual relations are exercised solely within marriage. Hence sexual activities such as, but not limited to, adultery, fornication, incest, homosexuality, pedophilia and bestiality are inconsistent with the teachings of the Bible. Further, lascivious behavior, the creation and/or distribution and/or viewing of pornography, and efforts to alter one's gender are incompatible with the biblical witness. Rom. 1:26,27; Lev. 18:22; 2 Pet. 2:4-10; Jude 6-7; 1 Cor. 6:9,10.

Philosophy of Christian Education

Believing that all truth is a manifestation of God's sovereignty in creation, we have established a school that proclaims God in our educational program and teaches our students that God is involved in every aspect of their lives. For the Christian, there is no division between spiritual and secular knowledge and experience. **All of life is Christ-centered.** Whatever a child learns, therefore, has God as the central point of reference. In essence, the child is taught a viewpoint of life and the world from God's perspective. We call this a biblical, or Christian, world and life view.

Because students are taught that God and His truth are the basis for the educational program, they are challenged to respond to God with the appropriate use of acquired skills and knowledge. Truth is for our use, and we learn from doing. Responding to God is a growth process, and is one in which a child, as prompted by the Holy Spirit, becomes increasingly more active. Students develop the awareness that their accumulated knowledge and skill proficiencies have direct bearing on the three fundamental relationships of life:

1. Toward God
2. Toward others (as well as oneself)
3. Toward one's environment (creation)

It is growth in this response process that leads to the fulfillment of man's calling from God to understand, to shape, to use, to preserve, and to enjoy His creation in a life of service to Him, through service to one's fellow man.

We acknowledge that our students are born with sinful natures that hinder them from accepting God as the reference point for all of life and from responding to Him in ways that are appropriate. When God's salvation through Jesus Christ is applied to a child's life, however, the ability to accept God's guidance and the desire to respond correctly are restored. For this reason, Christian education can never be implemented successfully apart from the redemptive work of Christ accomplished in a child's life. Our ministry toward our students, on an individual basis, must introduce them to the redeeming work of Christ, helping them to appreciate others and to serve their fellow man. In addition, we must inspire them to academic excellence, thereby enabling them to take their proper position in creation as one that bears the image of God and exercises dominion over God's world.

Mission Statement

It is our goal to impart to our students the use of Christian principles and attitudes for life, as well as skills in leadership, academics, and communication.

Purpose

Providence Christian School is an interdenominational school, which establishes Christian truth as a guide for life by teaching biblical truth. We exhibit and teach Christian character, maintain a high academic standard, teach living a disciplined life through exercising self-restraint and consideration of others, and support a spirit of patriotism (Gal. 5, I Cor. 9: 25-27).

Providence Christian School

Objectives

The student objectives of the school are centered on five basic ideals:

1. TO ESTABLISH CHRISTIAN TRUTH AS A GUIDE FOR LIFE

- By further enriching the knowledge and love of Christ for *“The fear of the Lord is the beginning of knowledge...”* (Proverbs 1:7 NASB)
- By teaching the student *“All scripture is God-breathed and is useful for teaching, rebuking, correcting, and training in righteousness, so that the man of God may be thoroughly equipped for every good work.”* (II Timothy 3:16,17 NIV)
- By understanding that *“Through Him all things were made; without Him nothing was made that has been made.”* (John 1:3 NIV)

2. TO MAINTAIN A HIGH ACADEMIC STANDARD

- By giving students the power to impact their world for Christ by developing their potential through God’s Word: *“...applying all diligence, in your faith supply moral excellence, and in your moral excellence, knowledge...”* (II Peter 1:5-11 NASB)
- By providing a teaching and support staff that love, encourage, and challenge all students
- By providing a well-balanced, biblically-based curriculum that prepares students for high school education
- By enabling the student to discern the truth from error because *“We are from God: he who knows God listens to us; he who is not from God does not listen to us. By this we know the spirit of truth, and the spirit of error.”* (I John 4:6 NASB)

3. TO INSTILL PURE MORALS IN THE HEART OF THE STUDENT

- By the development of an appreciation for the values accumulated from our past spiritual and biblical heritage: *“...You have given me the inheritance of those who fear your name.”* (Psalm 61:5 NASB)
- By instillation of the desire to choose right over wrong and to hold to one’s convictions under pressure: *“So then, brothers, stand firm and hold to the teachings we passed on to you...”* (II Thessalonians 2:15 NIV)

4. TO LIVE A DISCIPLINED LIFE

- By submission to the Holy Spirit: *“...the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control... Since we live by the Spirit, let us keep in step with the Spirit.”* (Galatians 5:22-23, 25 NASB)

5. TO GENERATE A SPIRIT OF PATRIOTISM

- By teaching the student to understand and be in obedience to the scripture that states, *“Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.”* (Romans 13:1 NIV)
- By teaching faithfulness to the Kingdom of God and recognition of the atheistic teaching which undermines our country’s foundation: *“But you are a chosen race, a royal priesthood, a holy nation, a people of God’s own possession...”* (I Peter 2:9 NASB)

Notice of Nondiscrimination

In accordance with the requirements set forth in IRB No. 1975-49, dated December 8, 1975, Providence Christian School announces the following policy:

Providence Christian School admits students of any race, color, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, or national and ethnic origin in administration of its educational policies, admission policies, and athletic and other school-administered programs.

Concurrence with the Policy of Nondiscrimination is not grounded in humanistic premises, but rather upon a theological basis as presented in the Bible, which is the Word of God. Our doors are open to people of all races and national origins because the love of God, as manifested in the ministry of redemption through Jesus Christ, is intended for all people who will receive it.

To this end, Providence Christian School is pleased to serve Christian families in El Dorado County.

Providence Christian School

Admission Requirements & Procedures

Parents desiring to enroll a student at Providence Christian School are expected to support the school's effort to teach biblical truths and their application to everyday life. Families also agree to be actively involved in a local church that agrees with the school's Statement of Faith.

Parents also agree to support the policies and procedures of the school. These include our Statement of Faith, Philosophy, Purpose, Dress Code Policies, Dispute Resolution Agreement & Procedure, and Discipline statements located in the PCS Handbook.

A commitment to Providence Christian School involves participation in the educational process, attendance at school functions, willingness to assist in efforts to improve the school, and fulfillment of financial commitments. Parents of new students must complete and sign a *separate* application for each student to be enrolled. In the event an applicant is on the enrollment waiting list the following policy will be followed:

When a classroom opening becomes available, either by a student leaving or by Board approval of additional enrollment, students listed on the enrollment waiting list will not be placed on a first-come, first-served basis, rather each student application on the enrollment waiting list will be reviewed by Administration. Administration reserves the right to determine the next student to be placed. This determination will be based on the following criteria: teacher recommendation, classroom dynamics, parent interview, and student placement testing.

Volunteer Program

The Volunteer Program is designed to facilitate parental involvement, and allow families to teach and show, by example, God's servants in action! It does require a one-time Fingerprinting Background check, to be paid for by the Parent/Grandparent, and/or Legal Guardian who desires to be involved in their students education. All families are encouraged to participate in the Volunteer Program. There are various opportunities for you to serve at our school. Service opportunities include, but are not limited to:

- ◆ *Driver for Field Trips (DMV Printout and Proof of Insurance Required)*
- ◆ *Assist with the Hot Lunch Program*
- ◆ *Coordinate or assist with: Grandparent's & Senior Pal's Day, Veteran's Day Assembly; Pastor Appreciation Luncheon, Easter Program; graduation*

If your child is entering Kindergarten, 1st grade, or 7th grade, please attach a copy of your child's official vaccination record to your re-enrollment paperwork.

School Grooming and Dress Code Policies

We believe there is a direct relationship between the appearance of students and their conduct, attitude, and seriousness of purpose. Appropriate clothing and a student's general appearance at a Christian school should reflect modesty, moderation, and neatness and should not draw undue attention to the individual. We believe that a school uniform best meets these goals with the least problem of enforcement. The dress code policies also apply to field trips, school events, and graduation (unless otherwise stated).

General Appearance

1. Clothing must be of an appropriate size, neither too small nor too large. Oversized clothing is not acceptable for school attire. Slightly oversized (to allow for a year's growth) is acceptable, but greatly oversized is not.
2. All shirts and blouses will have collars and must be tucked-in at all times.
3. Clothing that is too short is not permitted. Skirts, shorts, skorts or dresses must be longer than mid-thigh or three inches above the knee when kneeling.

Dress Code Violation

What happens if my child is in violation of the Dress Code policy?

- **First Violation:** A Dress Code violation slip will be sent home with your child, indicating the Dress Code infraction.
- **Second Violation:** Should there be a repeat of a previously specified Dress Code violation, the parent will be phoned. If the infraction relates to the uniform, the parent will be asked to bring the appropriate clothing to school.
- **Third Violation:** The parent and student will be required to meet with the Administrator/Principal if the specified violation is repeated.

Physical Education Uniforms—grades 6-8

Students will supply a tee-shirt, navy blue nylon gym shorts, navy blue sweatpants, socks (*red, navy, beige, or white per dress code*) and running shoes for P.E. They will also supply a mesh bag for storage of P.E. clothing. Tee-shirts may be PCS shirts, Jog-a-Thon shirts, Presidential Physical Fitness shirts, or a plain navy blue shirt. Tee-shirts may not be tight-fitting or transparent. Girls P.E. gym shorts must still maintain dress code length, which is as follows: All shorts must be no shorter than three inches above the knee when the student is kneeling on the ground. P.E. clothing will need be taken home each week for laundering and returned the following week for class.

Failure to dress-down for P.E. will result in the following:

- If the student arrives for P.E. in attire that does not meet the requirements of the P.E. Dress Code policy, he/she will not be allowed to participate in the class until the problem has been rectified. Once rectified, the student will be allowed to join the class for the remainder of the P.E. period and will be given a written assignment to take home, complete, have signed by his/her parents, and return to the P.E. instructor the next school day.
- If the uniform violation cannot be immediately rectified, then the student will not be allowed to join the class, but will instead be directed to the school office where he/she will remain until the end of the P.E. period. During that P.E. period the student will be given a written assignment to be completed during that class period and turned in to the P.E. instructor. The parents will also be notified of these events.

In both of the above cases, the P.E. instructor will provide the administrator/principal with the written assignments in the event that any further actions need to be taken (i.e., if the number of violations exceeds three, or if the student's attitude upon receiving his/her discipline is poor).
