ABOUT THE CHOIR:

I am very excited to offer Children's Choir this year! I will be introducing key concepts such as rhythm, pitch, harmony, dynamics, tempo, and solfege. Rehearsals will be a lot of fun! The children will be learning vocal warmups, music games, and new songs. The first term will end with a performance in December. All singers must have a white dress shirt and black pants or skirt for the performance. Tuition includes all materials, rehearsals, and performances. Rehearsals are mandatory. Auditions are not required. All singers in grades 1-8 are welcome! Please contact Shellie Padilla for more information.
