For students entering or exiting Providence Christian School other than on the first day of school, the total annual tuition charged will be adjusted to reflect the actual number of days the student is enrolled at Providence Christian School. The first, or last, tuition payment will be adjusted to account for the reduced number of days attended, so that future monthly tuition installments will coincide in amount and number to that of other students.

When a family enrolls several children concurrently, there is a **15% discount** on tuition for the second child; a **25% discount** on the tuition for the third child; and the fourth and subsequent children receive **free tuition**. The children must be enrolled at PCS at the same time to receive these tuition discounts.
